Consent to Collection and Disclosure of Personal Information

Your participation in the Energy Efficiency Incentive Program (the “**Program**”) requires Arctic Energy Alliance (“**AEA**”) to collect information from you, including your personal information. AEA will collect your information, including your personal information, for the purpose of delivering the Program. All personal information collected from you by AEA is protected by the *Personal Information Protection and Electronic Documents Act*, SC 2000, c 5.

The Program is delivered by AEA pursuant to the terms of the contribution agreement between AEA and the Government of the Northwest Territories (“**GNWT**”) (the “**Contribution Agreement**”). Under the terms of the Contribution Agreement, AEA is obligated to disclose your information, including your personal information, to the GNWT or the Government of Canada (“**Canada**”), or both, from time-to-time for the purpose of reporting and the public release of Program statistical data. The collection and disclosure of your information, including your personal information, by the GNWT and Canada is subject to applicable territorial and federal privacy legislation, including *the Access to Information and Protection of Privacy Act*, SNWT 1994, c 20, and *Privacy Act*, RSC 1985, c P-21.

By checking the appropriate box and signing above (in the “Applicant Information” section), you acknowledge that you have read this notice and that you consent to the collection of your information, including your personal information, by AEA and the disclosure of said information by AEA to the GNWT or Canada or both for the purpose of administering the Program. You further consent to the collection and disclosure of your information, including your personal information, by the GNWT and Canada for the purpose of reporting and the public release of Program statistical data.
