Applicant information

(Please print clearly. The name of the person or organization listed below must match the name on the invoices or receipts.)

Name: _____

Organization name (if applicable): _____

Mailing address: _____

Community: _____ Postal code: _____

Phone: _____ Email: _____

Address where the product was installed (if different from mailing address): _____

Community: _____ Postal code: _____

This is a seasonal residence or a cabin.

All applicable boxes below must be checked to qualify for a rebate.

I acknowledge that I have read and understood the terms and conditions of this form, and that the products I have purchased have been installed at the address listed above.

(If applicable) I will take my old refrigerator or freezer to the appropriate location in the landfill for disposal. *(To qualify for a rebate, old refrigerators and freezers must be taken to a landfill.)*

(If applicable) My automated vehicle plug-in controller is programmed to the following settings. *(To qualify for a rebate, a controller must be programmed to these settings.)*

- No power to the system above -12°C for diesel vehicles or -17°C for gasoline vehicles (can be set lower).
- Continuous, full power only below -35°C for all vehicles (can be set lower).
- Intermittent or limited power between these temperatures.

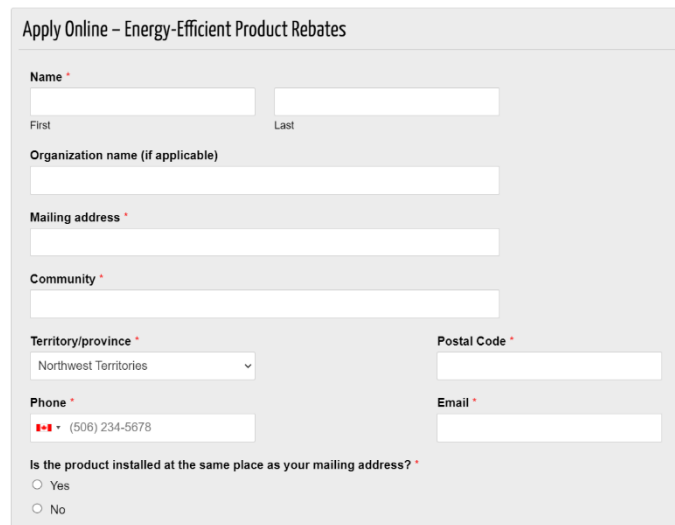

I consent to the collection and disclosure of my personal information for the purposes of delivering this program, as per the *Consent to Collection and Disclosure of Personal Information* policy on page 4.

Signature: _____ Date: _____

What the paper application form looks like

Online Application

- Scan or take photo's of your receipts and proof of residence
- Fill out an online application on our website, and attach the digital documents
 - <https://aea.nt.ca/program/energy-efficient-products/>

The screenshot shows a web form titled "Apply Online - Energy-Efficient Product Rebates". The form contains several input fields and a dropdown menu. The fields are: "Name" (split into "First" and "Last"), "Organization name (if applicable)", "Mailing address", "Community", "Territory/province" (a dropdown menu currently showing "Northwest Territories"), "Postal Code", "Phone" (with a country code dropdown showing "508" and a sample number "234-5678"), and "Email". At the bottom, there is a question: "Is the product installed at the same place as your mailing address?" with radio button options for "Yes" and "No".

The Online Application Form
